On behalf of the Saudi Arabian Ministry of Environment, Water and Agriculture (MEWA) in collaboration with CWC Group, I have the honor to invite you to attend and participate at **the 12th Saudi Water and Environment Forum (SWEF) on February 12-14, 2017. The Forum will be held at {Al Faisaliah Tower}, Riyadh, Saudi Arabia.**

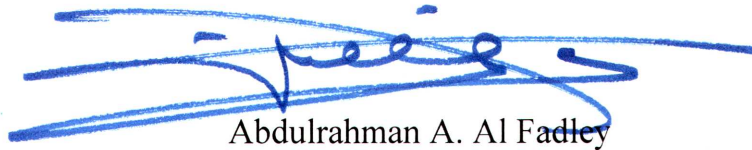

The main purpose of the 3-days Forum is to bring together researchers, business leaders, investors, contractors, suppliers, manufacturers and senior decision-makers from around the globe who are interested in portraying and/or exploring new technological innovations and opportunities in the field of water and environment with the aim of exchanging knowledge, expertise, collaboration and partnership.

The Forum will highlight particular areas of promising technological development under its four themes of conservation, efficiency, sustainability and investment.

Also the Forum will feature a large-scale accompanying Exhibition of the newest technology and developments in the field.

Finally, it gives me immense pleasure to welcome all delegates from every corner of the globe to participate in these anticipated stimulating and fruitful discussions in a most pleasant and conducive atmosphere, while Saudi Arabia is undergoing the most amazing inspirational transformation " The Kingdom's Vision 2030 ". 

Thanking you in anticipation, I look forward to seeing you at the Forum.

Abdulrahman A. Al Fadley

Minister of Environment, Water & Agriculture
